Activity Director's Corner

Fall is officially here. As I am typing this newsletter, Fall weather is NOT here!! Everyone keeps telling me it is coming, and I know it will eventually be here. I really love Fall changes the colors, the hay, a scarecrow and a bunch of pumpkins!!! We have already transformed our Activity Area for the Fall and our families enjoyed the setting at Grandparent Day last Satur-

day. This is a really fun month with our Halloween party and Trick-or-Treating at the very end. Be sure to start getting your costumes ready and buy that candy for the children of our families and our staff who will come knocking on your door ... if you wish. *(See the form to complete if you want trick-or-treaters)* There will be a costume contest during the party. Also, we always look forward

to the healthy competition among the departments for the Pumpkin Carving contest. Entries will be displayed starting the last week of October and all residents will be invited to vote on the best. Have a great October—GEAUX TIGERS AND SAINTS !!!

Labor Day BBQ Picnic 2019 A Success

Windsor residents and staff enjoyed a day filled with music, food and fun on the Friday before Labor Day.

The activity room and dining room were transformed into a good 'ole

fashioned BBQ and picnic to bring the summer to a close. Residents ate delicious food, played

games for prizes and a blue grass band added wonderful music to the fun-filled day.
